

SOUTHWEST DISTRICT FOUNDATION KACHINA AWARD

This award can be obtained by an individual or organization for recognition of some specific performance or service to the community. It's a great 'thank you' for an outgoing president, or a pat on the back for some other officer or member.

Recognition for this award is a Kachina Ribbon, with Medallion in a Shadow Box, a Pin, and a Letter of Appreciation from the Foundation President.

A donation of at least \$1,000 to the **Southwest District Foundation** will secure this award. This can be worn with pride to Division, District and International events – thus showing others just how *special* that person really is.
